SHIPPING SEASONS

The Fall season usually begins about the 15th of September or at the time when we have had sufficient rain to put the ground in the proper condition for digging. The Fall season usually closes November 15th.

The Spring season begins just as soon as all of the frost is out of the ground—usually around April 1st. By May 15th, the stock is normally too far out in growth to transplant successfully.

HILL'S

LINING-OUT

EVERGREENS

The quantity production of high quality, lining-out evergreens has long been a specialty at Hill's. Emphasis has always been placed upon quality methods of production. New means are continually sought by which it is possible to offer at a reasonable price, material which will turn over quickly for you and return the greatest margin of profit in the least number of years. For this reason, we do not offer many rooted cuttings nor pot grown plants . . . all transplants are from open field beds or field rows. There is no substitute for age and northern growing conditions.

PRE-STAKED

EVERGREEN

GRAFTS

Our grafts are ready for field planting and cultivation when shipped—no grafts broken in shipping or cultivation—no expensive staking or tying necessary.

Before your graft is shipped from Hill's, a light but strong stake is inserted into each pot beside the graft. The rubber strip is replaced with grafting tape that encircles both the stake and the graft, and the tip of each graft is secured to the stake with a patent tie. The pot itself is then replaced with a light-weight, moisture-proof wrapping to save shipping expense and to insure that the graft reaches you in the best possible condition.

Note

To enable us to better serve your needs, we request that you provide us with the opportunity to reserve your Spring and Fall needs at the earliest possible date. As the demand for nursery stock is in direct proportion to nationwide dwell-

ing construction reports, it is believed that this coming year will prove even more demanding upon Evergreen supplies than the previous year. Allow us to provide the very best in selection and service by placing your order now.

HILL'S Illustrated Evergreen Brochure

A new 48 page descriptive booklet with 62 full color illustrations and complete descriptions of each variety as well as cultural landscape suggestions.

The extremely high cost of color printing of this type precludes our offering this booklet gratis. However, we will mail you, postpaid, as many copies as you wish for \$1.00 each.
